TECNIPLAST

ZEBRAFISH EMBEDDED ENVIRONMENTAL ENRICHMENT

- **IMPROVED ANIMAL WELFARE,** scientifically proven
- **100% RETROFITTABLE,** ideal for any existing racks and for any facility size
- **EASY MAINTENANCE**: embedded enrichments are safer and do not require extra time for handling, washing and disinfecting, thus reducing management costs
- **TRULY EMBEDDED AND MADE TO LAST:** Tecniplast's embedded environmental enrichments are directly printed on the runners/tanks
